100th Anniversary Fundraiser

1st Annual Teeing Off Fore the Children Golf Tournament

The Children's Home is launching several new special events to help provide increased funding for our work. The "Teeing Off Fore the Children" Golf Tournament is one of the first special events. We are proud to announce that our first annual tournament was a success!

Thanks to our many sponsors and golfers, our first tournament exceeded our expectations. We had Hole Sponsors, Food Sponsors, Goody Bag Sponsors, Tournament Sponsors, Prize Sponsors and a host of volunteers that made everything click. Thank you so much to everyone who helped make the First Annual "Teeing Off Fore the Children" a success.

Remember to mark **Friday, August 2, 2019** on your calendar for our Second Annual Tournament.

Executive Director

As you are reading this we will be about one year away from the 100th Anniversary celebration on our campus. If you have not put **Saturday, September 21** on your calendar, stop reading and do so right now! All joking aside, we would love to have all of our supporters and anyone who would like to know more about the Children's Home join us for what I promise will be a wonderful day.

Our 100th Anniversary campaign, which is focused on raising money for our endowment, is moving along nicely. We had an excellent turnout for our golf tournament, even though we had to go to a backup date after a torrential rain caused a postponement. We will be having more fund raising events as the campaign moves forward. Work has begun on the Sarah Ellen Harless Garden of Hope, which will honor donations to the campaign of \$1,000 or more. It will be a beautiful addition to our campus and there is still room on the pillars for more names! Our newsletter and our website both have more information on how you can be a part of this very important campaign.

Our children are now back in school after a very busy and productive summer. One of the things we take great pride in is our youngster's participation in our "Giving Back" program. This is our volunteer program that allows our children and staff to volunteer for various organizations and events throughout the community. Our newsletter article details some of the work they did this summer, and we are quite proud of them.

Finally, I hope you will look closely at the 100th Anniversary Christmas ornament featured in the newsletter. While the picture is beautiful, I promise you it looks even better in person. We hope that every member of the Children's Home family will want to support our ministry by adding this ornament to their tree or collection. It is just another way that you can help us meet our mission, "Giving Children Hope and Purpose for the Future".

Thanks again for all of your love and support!

Billy

Billy and Wynette examine the new PCHH Christmas Ornament. They are really striking and will make great gifts for family, friends and acquaintances. We anticipate these will become collectors' items in the coming years.

In conjunction with our 100th Anniversary Campaign the Children's Home has commissioned a unique Christmas ornament for sale to friends and family of the Children's Home.

The ornament measures 2 1/2" wide and 3" tall. It comes boxed in a padded maroon colored box with black velvet liner.

Pre-orders are being accepted for delivery this Fall in time for the Holidays. The price for each ornament is \$25.00 which includes handling and shipping.

Please make checks payable to **PCHH** for **\$25.00** for each one you order. Include the quantity you want plus the shipping address with your order. Mail to:
